

motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation “Motion to Seal.” The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

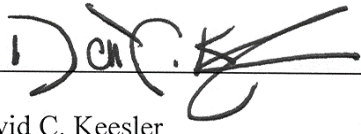

Local Rule 6.1. It appears that the requirements of Local Rule 6.1(c)(1) through (4) have been adequately met. The documents that Defendant seeks to file under seal contain medical records, other sensitive personal information, and confidential personnel information – all of which are records encompassed by this Court’s protective order in this case. See (Document No. 25).

Having considered the factors provided in Local Rule 6.1(c), the Court will grant the motion to seal. Noting that the time for public response has not run to this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

**IT IS, THEREFORE, ORDERED** that “Defendant’s Motion to Seal” (Document No. 29) is **GRANTED**. Exhibits 1, 2, 6, and 7 referenced in the Defendant’s Exhibit List (Document No. 28-2) filed with its “Motion For Summary Judgment” shall be filed under **SEAL** and remain under seal until otherwise ordered by this Court.

**SO ORDERED.**
